## GETTING STARTED

### Using the Online Class Search

Beginning your search is simple. You can search directly from the IU Online site, [online.iu.edu](http://online.iu.edu), by going to the 'Classes' tab on the menu at the top of the page.

From there, if you select '[Search Classes](#)' you will see a menu such as the example at the right. You can make your search as broad or specific as you need, but we suggest, at minimum, filling out the 'semester' and putting in a keyword for a subject such as "statistics" or even "stats." There is also the [enhanced search](#) if you need other specific options.
